

# Storyboard: AI for Creators

This storyboard visually interprets the provided script, ensuring strict visual consistency for the central character, Alex, across all frames. Each frame is directly relevant to its corresponding script line.

## Script and Visual Frames

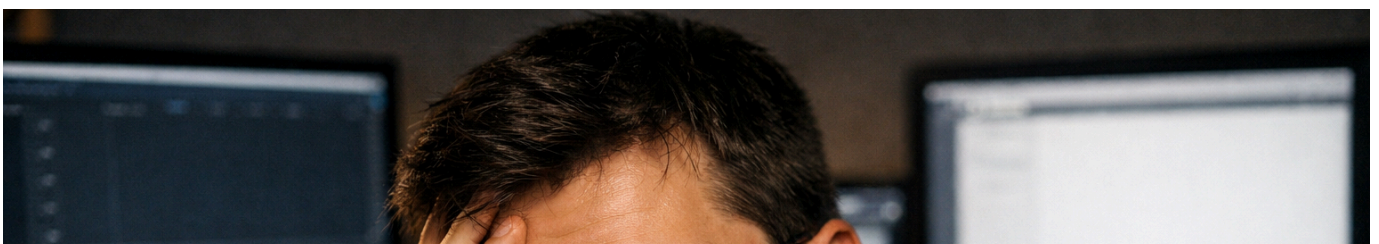

### Frame 1

**Script Line:** AI is quietly doing the heavy lifting for millions of creators right now.

### Frame 2

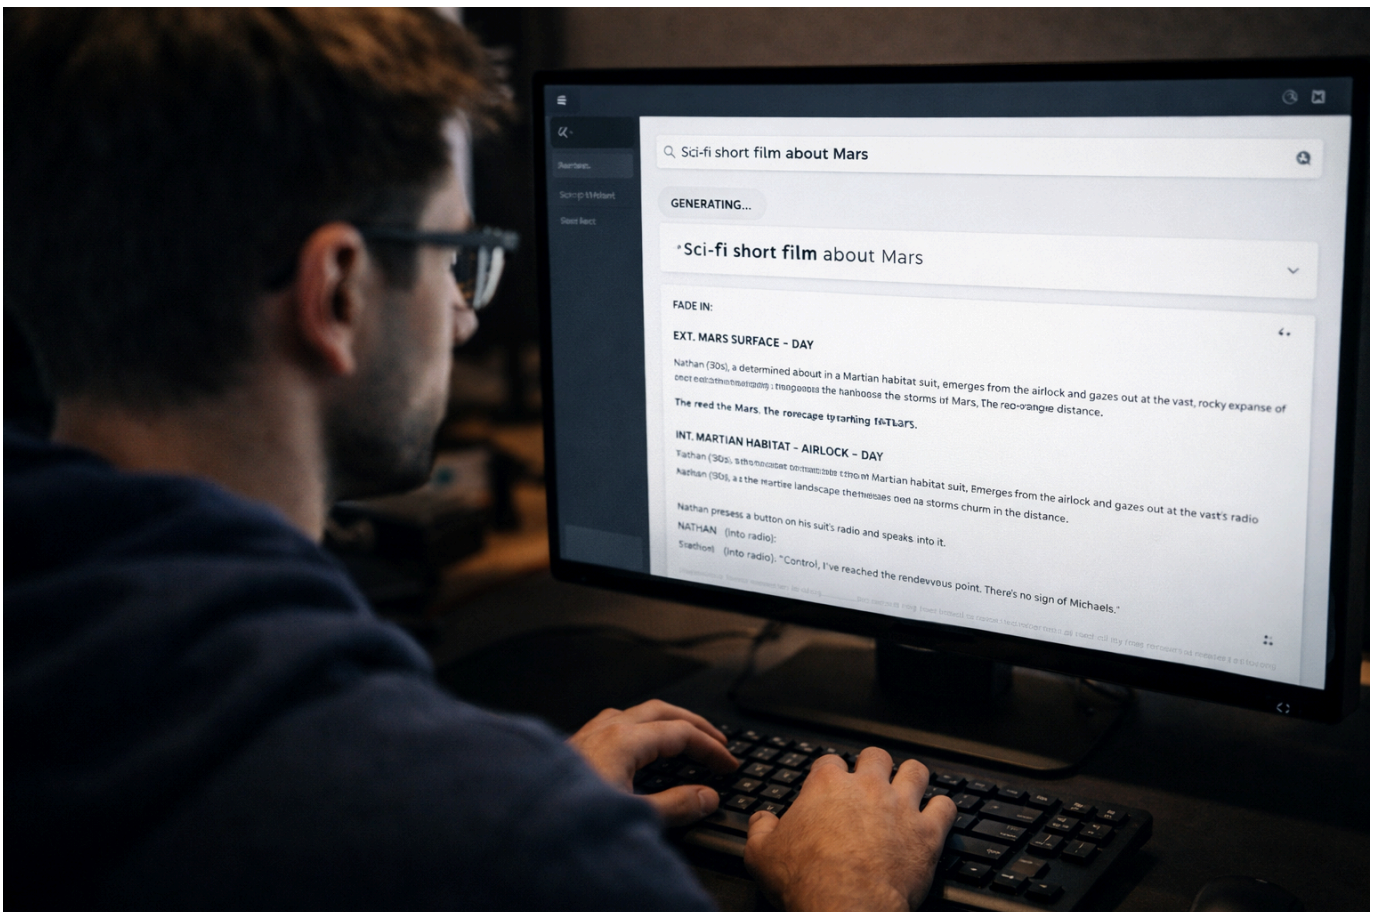

**Script Line:** Alex sits at his desk — scripts to write, footage to edit, deadlines already missed.

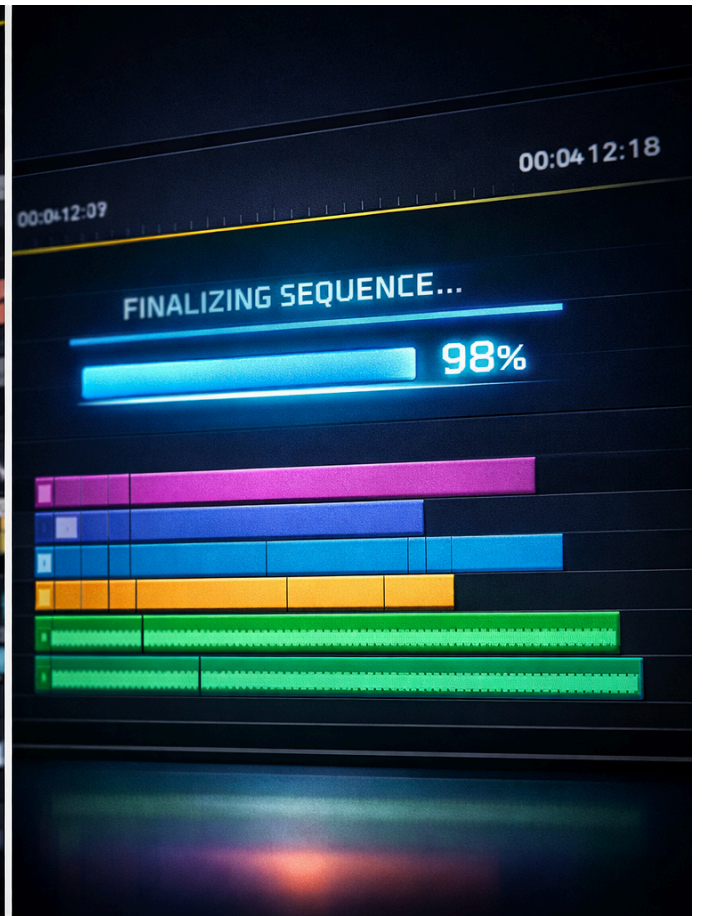

### Frame 3

**Script Line:** He opens an AI tool, types out a rough idea, and watches a full script appear on screen.

### Frame 4

**Script Line:** Hours of editing get condensed into minutes — structured, clean, ready to publish.

## Frame 5

**Script Line:** What used to take a full day wraps up in a single sitting.

## Frame 6

**Script Line:** AI isn't a shortcut.

## Frame 7

**Script Line:** For creators like Alex, it's just how work gets done now.
