

SCENE 1 - INT. ALEX'S OFFICE - DAY

Shot Style: Establishing Shot

Characters: Alex

Description: A wide view of the modern home office. Bright natural daylight streams through a large window, illuminating a desk piled high with scripts and notes. Alex sits hunched over the keyboard, appearing small amidst the clutter.

Shot Style: Medium Shot

Characters: Alex

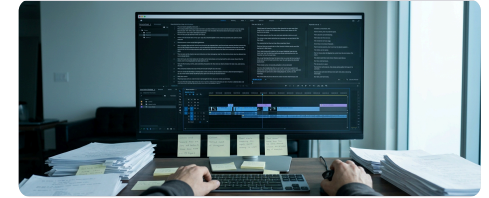

Description: A medium shot of Alex from the side, positioned on the right side of the frame. The desk clutter and several open script binders are prominent in the foreground.

Shot Style: Close-up

Characters: Alex

Description: A close-up of Alex's face. The cool blue light of the monitor reflects in his eyes, contrasting with the warm daylight from the window.

Shot Style: Point of View (POV)

Characters: Alex

Description: A POV shot from Alex's perspective looking directly at the primary monitor showing the AI interface.

Shot Style: Close-up

Characters: Alex

Description: A close-up of Alex's face, catching his reaction to the screen's output. He remains on the right side of the frame.

Shot Style: Medium Shot

Characters: Alex

Description: A medium shot of Alex at his desk. The monitors now show a 'Project Complete' status, and the room feels more organized in the glow of the finished work.
