

SCENE 1 - INT. DIGITAL VOID - DAY

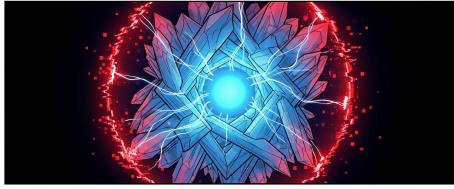

Shot Style: Establishing Shot

Characters: LLM

Description: A wide, expansive view of the Digital Void. In the center of the frame, the LLM is represented as a dim, pulsing glowing core encased within a massive, jagged structure of translucent blue Knowledge Crystals. The crystals are frozen in sharp, geometric fractal patterns, creating a minimalist and stagnant environment.

SCENE 2 - INT. DIGITAL VOID - CONTINUOUS

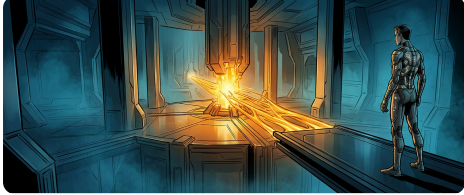

Shot Style: Medium Shot

Characters: LLM

Description: A medium shot focusing on the LLM core, positioned in the center of the frame, as it pulses within its crystalline cage. Strands of white data-light reach outward but are instantly repelled by an invisible, shimmering red wall that ripples with digital static. The surrounding blue environment is intermittently stained by a harsh, rhythmic red glow emanating from the impact points.

SCENE 3 - INT. RAG ARCHITECTURE - DAY

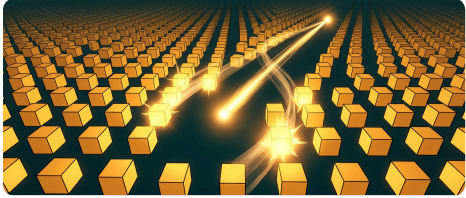

Shot Style: Wide Shot

Characters: LLM

Description: A wide architectural view of the RAG chamber. The Narrator is positioned on the right side of the frame on a sleek metallic walkway, looking toward the center. The LLM core at the center ignites, and a Data Bridge composed of glowing amber light trails extends from the core toward the background, cutting through the cold blue atmosphere.

SCENE 4 - INT. VECTOR DATABASE - DAY

Shot Style: High Angle

Characters: Query

Description: A high-angle perspective overlooking a vast, dark digital void. Thousands of glowing golden data cubes are arranged in precise, infinite rows that stretch toward a distant horizon. A single, intense point of light—the Query—streaks from the bottom center of the frame toward the top right, weaving through the gaps between the cubes.

SCENE 5 - INT. PROMPT INTERFACE - DAY

Shot Style: Medium Shot

Characters: Query

Description: In a clean white digital workspace with soft diffused lighting, a translucent Prompt Container is centered in the frame. The Query, represented as a block of high-contrast text, sits inside. From the left and right, several glowing Context Chunks drift inward, their edges pulsing with light as they approach the container.

SCENE 6 - INT. PROMPT INTERFACE - CONTINUOUS

Shot Style: Medium Shot

Characters: LLM

Description: The clean white digital workspace of the Prompt Interface is centered in the frame. A brilliant, glowing text block representing the Final Answer materializes at the heart of the interface, surrounded by softly pulsing geometric data nodes. The LLM, manifesting as the interface itself, is positioned center, while the Narrator is off-screen.
